

PRAYER FOCUS

We cannot hide our children from the world, but we can be proactive in guarding them. We can intercede for our children, praying for wisdom, protection, peace, and strength. Though the enemy battles for our children in their years of immaturity and inexperience, we have the Almighty God that protects them and powerfully overcomes the enemy when we call on Him. Our children can thrive spiritually!

PRAYER POINTS

- Put a hedge of protection around our children. Shield them from attacks of the enemy.
- Keep them from predators and those who try to entice them into evil relationships.
- Give them courage and wisdom to make right choices when faced with temptation.
- Help them to keep themselves pure and not have inappropriate relationships.

- Remind them to keep themselves pure in what they see, listen to, and do.
- Protect them from disease and illnesses that try to come upon them and those that are hereditary.
- Protect them from physical, verbal, emotional, and sexual abuse.
- Give parents spiritual eyes to see areas their children are struggling in and godly wisdom to know how to counsel them.
