

## PRAYER FOCUS

Education is not limited to academic achievement. We must train and equip our children from a young age to see themselves as an influencer in their schools and communities. They do not have to conform to their current culture or campus lifestyle. They can become leaders for the cause of Christ, showing boldness, courage, and victory on their campuses.

## PRAYER POINTS

- Lord, release Your truth into our schools and college campuses. Help students to rightly discern truth and not believe false teachings.
- Help school administrators and board members recognize their responsibility to provide for the best interests of the students. Give them Your wisdom.
- Protect students and staff from attacks of violence. Dismantle any plans to bring harm. Expose any weapons brought onto the school premises and render them harmless.
- Raise up a generation of student who worship You in spirit and in truth.
- Open doors in the schools for the gospel to be shared with students and staff.
- Grant students wisdom and boldness in living out their Christian faith. Help them effectively share the gospel with their classmates.
- Give assistance, favor, and financial blessings to programs and groups that sponsor Christian morals. Allow their efforts to be fruitful and bring forth new believers.
