

24/7 NOT ON MY WATCH

PRAYER FOCUS

Every day, men and women in law enforcement place themselves in harm's way to keep us safe. They put on their uniform and leave their family to protect ours. What better way to give back to those who give so much, than to cover them daily in prayer. While a bulletproof vest gives a level of protection for officers in the natural, an even greater blessing and shield of protection can be found in the power of a faithful, praying believer or group of prayer warriors.

PRAYER POINTS

- For their physical safety: The dangers our law enforcement faces are immense. It is a daily challenge in a society filled with violence, greed, and hate.
- For their emotional safety: Their mental, physical, and emotional aspects are always on high alert. The combination of stress and anxiety can impact their mind in many ways.
- For wisdom and understanding: Police officers must make spontaneous choices in situations that arise. Pray they will have wisdom to make the best choice while under extreme pressure.
- That they would have compassion for those they serve: Officers deal with lives and souls that will face God someday. Pray they would have a heart like Jesus Christ.
- For their health: Stress in law enforcement can bring on physiological changes in the body which in turn can affect the physical health of the body.
- That they would exhibit integrity, honesty, and dedication: A virtuous individual is to be highly regarded and respected. Temptations can present situations for any person to fail at some time.
