PRAYER FOCUS

I Timothy 2:1-3 says that we are to pray, intercede, and give thanks for kings and all people in authority. This is God's command to every believer today. Praying daily for leaders is productive toward God's plan and purpose for our nation. The Bible says the heart of a king is in the hand of the Lord. He can turn it however He wants, so your prayers are important. One such leader we should cover in prayer is the leader of our state, the governor. The decisions made by the governor and his administration can have profound impact of our lives and ultimately our country.

PRAYER POINTS

- That each governor would act fairly and humanely in their duties, and with godly insight
- He or she will come into contact with the gospel and that will experience the love of God
- For their families - for their salvation and that they will positively influence the governor's life
- He or she would be Spirit-led in the selection and management of their team
- He or she would actively enforce and promote causes that are biblical
- He or she will be merciful, unselfish, and sensitive to the needs of the citizens
- That the decisions they make will be the right and will be in the will of God
- For Godly wisdom when he or she has to make difficult decisions under stress
- That they would pursue justice and not give in to pressure, bribes, or ungodly influences
- That the Holy Spirit will capture their thoughts and that He will dominate their thinking
