

# 24/7 NOT ON MY WATCH

## PRAYER FOCUS

The Bible is filled with instructions on ways to pray. It makes special mention of praying for those in positions of authority. Our leaders can affect the conditions we live in and have an impact on our families, churches, workplaces, cities, and our country. Praying for them is a must. As we pray for those leaders who are already in leadership positions, let us also pray for those who will fill positions in the near future.

## PRAYER POINTS

- That they will have true hearts for public service
- For safety and protection for each leader and their family
- That God's righteousness and justice would guide their decisions and policy development
- They will be persons of abiding faith, integrity, and trust in God
- That God will guide them as they guide us.
- That there will be no partisanship but honesty, integrity and objectivity in their actions
- They will be courageous and have boldness to do that which is right regardless of the consequences or pressure to do otherwise
- That God would raise up called, skilled, and capable Christian men and women to fill these leadership positions
