

24/7 NOT ON MY WATCH

PRAYER FOCUS

While you and I are surrounded daily by literally dozens of churches, it is somewhat mind-blowing to think there are people in the world who have never been exposed to the gospel. While the spread of Christianity has been vast, there are still huge segments of the world's population that have never heard the name of Jesus let alone a clear presentation of the message of salvation. Will you join me in praying for those nations who do not have an apostolic voice?

PRAYER POINTS

- For the leaders with the most influence to be delivered from spiritual blindness and use their influence to convert others to Christ
- God will raise up righteous leaders and put them into places of authority and influence in the nation
- Pray unevangelized nations will become disillusioned and dissatisfied with their demonic gods
- Pray missionaries would go forth and have open doors, finances, safety, and wisdom to take the Gospel to the nation that God has called them to
- Pray for supernatural manifestations of God (revelations, dreams, visions, healing, etc)
- Ask the Lord for a strategy to reach each individual nation and understanding how to pray against strongholds holding unevangelized nations spiritually captive
- That God will raise up people from each unreached group, with knowledge of their history and culture, to build a strong church among their own people
- As they become exposed to the gospel, whether through media, the Bible, or believers, they will have courage to act upon the truth revealed to them
