

# 24/7 NOT ON MY WATCH

## PRAYER FOCUS

The Bible tells us that the Church will be persecuted. More Christians are being persecuted today than ever before in history. Satan hates Christians and schemes to render them powerless or remove them from the battlefield. As we pray for our persecuted brothers and sisters around the world, Satan's power to destroy the global church is held back. We need to intercede for our brothers and sisters around the world who are suffering because they proclaim the name of Christ.

## PRAYER POINTS
