

# WORSHIP

PERSONAL CONSECRATION

## PRAYER FOCUS

Worship is not just something we do, or mere words we speak; it's a way of living that shows we value and love the Lord above all else. Scripture teaches that God doesn't need anything; He is sufficient by Himself. Yet He invites us to have a relationship with Him - to share thoughts, likes and dislikes, dreams, and desires with someone who will take the time to respond in return. When you truly love someone, you don't have to be forced to be with them. Rather, you look for ways to share what you feel because true love can't be suppressed. Love changes you, from the inside out. It affects all we do. When we fall in love with God, our worship becomes the expression of that love. It's audible. It's visual. It's kinetic. It's consistent. It's a lifestyle.
