

ADDICTIONS

NATIONAL ISSUES

PRAYER FOCUS

Addiction is real. It's like a giant wrecking ball destroying individuals, marriages, and families. Addiction wreaks havoc in the lives of people throughout the world. Substance addiction affects more than 40 million people in the U.S. alone. But addiction has many faces beyond drugs and alcohol. Addictions to food, nicotine, spending, sex, pornography, and video games, to name a few, are destroying lives. Many are in bondage and want to be free. Thankfully, there is hope through Christ Jesus.

PRAYER POINTS

- ◆ That addicts would see the dangers involved with their addiction, both for themselves as well as those around them.
- ◆ That they would be willing to seek help and not rely on their own strength to break the addiction.
- ◆ That the demonic strongholds of the addiction would be broken through the blood of Jesus and the authority of His name, and they would repent and turn their hearts to You.
- ◆ That any pleasure, satisfaction, or comfort that is received from the addiction would fade and they find no benefit or help in the addictive behavior any longer.
- ◆ That they would find a Spirit-led way to cope with the physical and emotional pain in their life that may be driving them to the addiction. Teach them to turn to You, Lord.
- ◆ That loved ones would have wisdom and patience to minister to the addict.
- ◆ That anyone who enable or encourages them to continue in their addiction would be removed from their life.
