

WARS, FAMINES, AND IMMIGRANTS

GLOBAL IMPACT

PRAYER FOCUS

The nations of the world have arrived on our doorstep due to wars, famine, natural disasters and persecution. Our mission field is multicultural within our own borders. These immigrants come in hope of a better life and sanctuary from harm. We must create an atmosphere that lets them see the Savior and experience the abundant joy that He gives.

PRAYER POINTS

- ◇ That refugees will be provided with food, clothing, education, and shelter as they have been removed from their familiar surroundings and placed in the care of those foreign to them
- ◇ That the Christian community be an example in their response to caring for refugees and immigrants as they show the love of God and compassion
- ◇ That God would turn the hearts and minds of those who perpetuate violence and oppression so they would become doers of good and not of evil
- ◇ For wisdom and protection for those who help facilitate change in areas of war and violence
- ◇ That the spiritual eyes of believers would be open to the needs and plight of refugees, victims of war, and the hungry, and they would know how they can individually make a difference
- ◇ That there would be an end to violence, war, and death in the world and that peace and reconciliation would take place
- ◇ That favor would be granted to believers to share gospel of Jesus Christ with these diverse cultures and religious groups
