

NATIONAL DAY OF PRAYER (October 14)

2020 U.S. Presidential and Congressional Elections

In the midst of national crisis and uncertainty, it is essential that we fervently intercede for the upcoming 2020 U.S. presidential and congressional elections. II Chronicles 7:14 says, *“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.”*

A National Day of Prayer for the 2020 U.S. Presidential and Congressional Elections will occur *Wednesday, October 14*. Churches are encouraged to join in corporate prayer for these pivotal elections that will convene Tuesday, November 3, 2020. Following are prayer points to use as a guide so the Church can pray in unison.

- Pray for those who are candidates in the upcoming presidential and congressional elections. Intercede that God’s will be done regarding whomever He desires to fill the open positions of these offices, as well as other vacancies. His Word declares in Psalm 75:7 *“But God is the judge: he putteth down one, and setteth up another.”*
- Pray that God would allow honorable and righteous men and women to be elected to the numerous positions available. Proverbs 29:2 says, *“When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn.”*
- Pray that voters would look beyond personal biases and to that which most honors God and represents Biblical values and His interests and desires for this nation.
- Pray that believers in America would genuinely unite around God’s agenda, and not party affiliation.
- Pray that leaders ultimately elected into positions would allow God’s mighty hand to guide them to effectively lead America and to be an advocate of God’s purpose and plan for this country. Petition that God’s wisdom and power would flow through them and that it would be displayed in their speech and their actions.
- Pray that voters would elect leaders who would execute legislation and laws that would raise up a standard against the enemy morally, economically, and militarily. Supplicate that each would advocate and value constitutional rights and religious liberties. Proverbs 14:34 says, *“Righteousness exalteth a nation: but sin is a reproach to any people.”*
- Pray that God would prohibit every effort and proposed legislation that seeks to remove our acknowledgement of God in our nation. Psalm 33:12 declares, *“Blessed is the nation whose God is the LORD.”*
- Pray for healing, revival, restoration, and harvest in America. Intercede that God would “pour out His Spirit upon all flesh,” and let His shekinah glory be manifested!
